What is a “Friends” Organization?

Friends organizations are volunteer-driven charitable societies that help support nonprofits through fundraising, advocacy, and volunteering.

Friends of the library organizations value the role of libraries and help to keep them thriving.

Our Friends

Friends of the Peace River Municipal Library Society has supported the library since 1992.

Friends of the Library helps promote the importance of the library and assists the library to develop programs and services to meet the Peace Region’s reading, learning, and leisure needs. It fundraises to help the library fill gaps with things like shelving, furniture, and technology.

Peace River Municipal Library Libraries: For People

The Peace River Municipal Library in 2017 received over **48,000** in-person visits and had an additional **9,000** visits to e-resources. That’s a lot of people to serve and Friends of the Peace River Municipal Library helps make it happen!

How has Friends helped?

Friends of the Library helped the library purchase:

- New LEGO toys
- Apple iPads
- Projector screens
- DVD storage
- New art gallery lighting
- Window coverings
- ...and much more!

“Our Friends really make a difference.”

– Channing Stenhouse, Library Director
