## WE ARE HERE! WE ARE HERE! - A person's a person no matter how small

I think that Cyndi (Programs Coordinator) is feeling a bit like the Whos from Dr. Suess's *Horton Hears a Who*. She's shouting as loud as she can, "WE ARE HERE!" but she is not being heard. We know that Tabletop Gamers just isn't the same without gathering around a table with free pizza or that Story Time isn't as much fun without the interaction with other participants. We miss our in-person programs too and hope we can get back to them soon.

## Current Hours

Tuesdays :

Grab & Go Service (By appointment only)

Wednesdays :

10am to 12:00 Senior's Safety Hours

**12:00 to 7pm All welcome (extended!)**

In the meantime, we ask that you support our virtual and take-home programs. By participating in these programs, you are making the statement that you think our library programs are important to our community. We don't want to lose them! If you want to see our regular programs back when COVID-19 restrictions are lifted, we need you to support our endeavours to bring you safe and fun programming NOW!

Some in-person programs will hopefully be starting again in the coming weeks but it will still look different from what you are used to. Please don't be afraid to try something new. We are happy to see you whether it is on a computer screen or through a face mask! So renew your library card, request books, and sign up for programs!
