The Canadian Lung Association has provided Peace Library System with kits for detecting Radon gas in your home. Peace River Municipal Library is one of the lucky libraries that has been given a kit! The Radon Screening Kit is available at the circulation desk and can be signed out with your active library card. The kit can be signed out for 21 days but (sorry!) no renewals. It is only available from October 1st to April 30th.

Is your library card not from Peace River? Not a problem! As long as your active library card is from any Peace Library System library, you can borrow the Radon Screening Kit. We will even send it to your local library through interlibrary loan services!

Halloween at the Library

As with everything else this year, Halloween is going to look different. The library has opted not to host the Interact Haunted House. Hopefully, it will be back in action next year. As disappointing as this is for everyone involved, it is the safe decision. As the library currently does not have Saturday hours, we will be closed on October 31st.

However, we would never leave you in a lurch! Cyndi is busy assembling Halloween Goodie Bags with lots of games, activities, and surprises. So whether or not you choose to go Trick or Treating, you can still have lots of Halloween fun! Stop by on Friday, October 30th between 1pm and 5pm to pick up your Goodie Bag. One bag per child 12 and under while quantities last.
