cloudLibrary

cloudLibrary offers eBooks and eAudiobooks to library patrons. You can stream them in your web browser or with the cloudLibrary app. Borrow up to 10 items at the same time. Items can be borrowed for up to 3 weeks and are automatically returned. No need to worry about late returns.

Devices & Software

Desktop Browsers:

1. Go to your library website's eResource page and select **cloudLibrary**
2. Login with your **library barcode and pin**

Mobile App:

1. Download the **cloudLibrary** app and open it
2. Select **Canada**
3. Select **Alberta**
4. Select **TRAC The Regional Automation Consortium**
5. Enter your **library barcode and pin**

Mobile app is available on:

- Apple App Store (iPhone/iPad)
 - iOS 11.4 or higher
- Google Play Store (Android devices)
 - Android 5.0 or higher

Transfer an eBook from a computer to an eReader

Check out the **eReaders & Adobe Digital Editions** brochure, which can be found on your library's website (**eResources -> cloudLibrary**)

Search & Browse

Desktop Browsers

- Select the **Search Bar** in the top right corner to run a basic search
- Select **Filter** to sort results by **Format** and **Availability**
- Select **Browse** to scroll through genre and age-range options
- Click on a genre for a list of genre-specific titles to appear

Mobile App

- Tap the  icon to run a basic search
- Tap  to filter results by **Format, Availability, and Language**
- Tap the  icon and select **All** to scroll through titles sorted by genre and age-range

Borrow

Desktop Browsers

- Once you find the title you want, select the green **Borrow** button 
- If the book is currently in use, select the blue **Place Hold** button 
- Select **My Books -> Holds** to check the length of your hold
- Select the  icon to save a title for later

Mobile App

- Once you find the title you want, tap the green **Borrow** button 
- If the book is currently in use, tap the blue **Hold** button 
- To save a title for later, tap the orange **Save for Later** button 
- Select **My Books -> Holds** to check the length of your hold
